Clery and Donahoe Act Crime Reporting Form

Return completed form to clery@sonoma.edu

Clery Act Crime Statistics

The university has a responsibility to notify the campus community about any crimes that pose an ongoing or continuing threat to the community, and as such, Campus Security Authorities (CSA's) are required by the Jeanne Clery Act to report crimes immediately to the Clery Coordinator. Failure to do so can subject Sonoma State University to large fines and penalties up to and including loss of financial aid funding. You should not wait until the end of the year to report these crimes to the Clery Coordinator.

CSA's must report Clery reportable crimes to the Office of Clery Compliance by completing the attached form and forwarding the information to the coordinator. If the crime may require a timely warning, notify the coordinator by phone at (707) 664-3408 or notify University Police at (707) 664-4444. If notifying police, you may keep identifying information about the involved parties confidential.

Donahoe Act Crime Statistics

The state Donahoe Act (§67380) also requires universities to collect crime statistics for reporting in the annual Campus Safety Plan. While some crimes may be reportable as both Clery and Donahoe Act crimes, there are significant differences in the types of crimes and classifications used in each report.
